Milnathort Golf Club has a duty of care to all users of the golf course. The topography of certain areas of the course is such that caution and prudence must be shown by the user of a ride-on-buggy. It is also necessary for the Club to provide adequate, safe means of access for all golfers, including those given permission to use buggies. Moreover, the Club has to ensure the safety of golfers who do not wish to use ride-on-buggies, but who might be at risk from a mechanically defective ride-on-buggy, or its careless use.

2. The Club accepts no liability for damage to personally owned buggies other than their legal liability where a member rents a space to store their buggy.
